

**Fly Away to Heaven -**  
On the wing of a prayer  
*Australians helping children in East Timor*

30 September 2007.

**Two Catholic priests have built an aeroplane to fly themselves in a fly-a-thon around Australia to raise money for improved living conditions of the people in East Timor.**

They have initiated the ***Fly Away to Heaven*** initiative, a non-profit organisation aiming to raise one million dollars by sponsorship and donations.

We invite Australians to join us in the ***Fly Away to Heaven*** venture in seeking your help in the promotion and sponsorship of our project.

Sponsors will receive:

- The opportunity to be involved in a one-off national event with other corporate bodies.
- Extensive media coverage as the 'fly-a-thon' travels around Australia.
- Community recognition of their commitment and support.
- Tax deductible receipt will be issued.

The plight of East Timor is known to most Australians, and the 'debt of honour' owed to the East Timorese people resulting from their role during the Second World War is part of our nation's history.

Projects are being considered for sponsorship include improvements to kitchen facilities at an Orphanage in Suai. All funds raised will be distributed on our behalf through the Melbourne Overseas Mission which gives a tax deductibility status to any donations that require it. Our project is administered by volunteers and therefore 100% of donations goes to the projects.

If we can assist you further with enquiries please call us on 02 6043 2222 or 0427 431 511. We wait in anticipation of your reply, and thank you for your time and consideration of this project, and hope you will enjoy our CD ***Earth Angels Care***.

Yours sincerely

Graham Libreri
